

Partner-Session Application Form

14th Forum on Responsible Mineral Supply Chains, April 2021

As part of this year's Forum on Responsible Mineral Supply Chains, the OECD will encourage attendees to participate in a limited number of selected Partner Sessions. Partners will be responsible for arranging and managing the virtual platform of their choice. If your session application is selected the OECD will feature your session on the Forum website. Only selected applicants will be contacted.

Applicants are encouraged to submit proposals that relate closely to the broader due diligence agenda and of relevance for and interest to a wide audience. Applicants should avoid purely self-promotional session proposals.
