

High-level Meeting on Responsible Agriculture Supply Chains

Date: 1 March 2019 (Friday)
Schedule: 8:30 a.m. to 10:00 a.m.

The meeting of business executives in the agriculture industry shall introduce key applications of international recommendations and standards in supply chain due diligence in order to help strengthen management practices, promote responsible agricultural supply chains and support business contribution to achieving the Sustainable Development Goals (SDGs). This event is part of OECD's work with businesses in implementing responsible business conduct standards and practices, and in particular, OECD's work in the Philippines under its [Programme on Promoting Responsible Supply Chains in Asia](#), with a key focus on engaging with the agriculture sector.
